More than a t-shirt, *an idea.*

Sormarí was born in the vineyard and in the cellar, from years of oenological and viticultural consulting alongside the people who make wine.

Sormarí Merchandising carries that same spirit into an exclusive clothing line, created for those who live and work in the wine industry and for everyone who shares the passion.

Every garment is chosen for performance and comfort, built from responsible materials and finished with the mark of Bacchus, the ancient god of wine who has always watched over our work.

This catalogue presents the collection, its technical details and a simple way to place your order request.

Made to work

Technical, lightweight garments for long days in the vineyard and the cellar.

Responsible

Distinctive
